From the Principal's Desk

Dear Parents,

St.Fidelis School Kheda Khush Khabar, Aligarh imparts academic excellence with character and personality, which is the ultimate goal. The well-chalked academic and co-curricular programme, enables the students to attain their full potential and to develop sound work habits. The academic work is centered on highly personalized attention and supervision . We live today in a world that is very different from the one we grew up in, the one we were educated in. The world today is changing at such an accelerated rate. We as educator's need to pause and

reflect on this entire system of education. We work at implementing a well-balanced curriculum to ensure that the children who walk in to the portals of our school will not just love their school years but truly be prepared to face life's changes. Let us go with the great quote of Margret Mead who said "Children must be taught how to think, not what to think". We pride ourselves to help them to grow and develop into sensitive and responsible citizens of the future. Our prime aim to motivate our ambience to inculcate the values in them keeping the Moto of our school "From Darkness unto Light."
